

# Lake Windward Technology Fair

Are you in grades 3-5 and like to use technology to create original movies, websites, apps and more?  
Then the LWE Technology Fair is for YOU!

If you are interested in submitting a project to the Lake Windward Tech Fair, projects will be due  
**Wednesday, November 20th, by 7:40am (in the Media Center)**

**Informational Meeting for Students- Friday, November 1st @ 7:45am in the Media Center**

- Students may submit one project.
- Each project must be submitted with an online [LWE Tech Fair entry form](#) AND a printed out copy of the [parent consent form](#).
- One LWE project in each category per grade level group will move on to compete in the Fulton County Technology Competition on December 14<sup>th</sup> from 8:00-4:00pm.
- The winners at the Fulton County Technology Competition move on to compete at the Georgia Technology Competition in March.
- Students may enter individually or as a team of 2 students max.
- Teams must be in the following grade level groups: (Grades 3 & 4) or (Grades 5 & 6)
- NOTE: Grades 4 & 5 may NOT enter together because they enter in two different grade level categories.
